- Arms Control: Violation Stories. ACIS has prepared talking points on a number of allegations of Soviet arms control violations. The talking points make the distinction between the intelligence community's role of monitoring and the policy community's role on verification. Senator McClure's recent statements are included.
- Trilogy of Estimates. You may wish to discuss with the committee the three NIEs recently completed on Soviet Strategic Forces, US Capabilities to Monitor Arms Limitations Agreements, and the Soviet Approach to Arms Control.
- Narcotics. Dave Gries prepared talking points on narcotics. These focus on your recent trip and the narcotics control programs underway in the Golden Triangle. They also mention Cuban involvement in drug trafficking.

2. Please let me know if there is anything else I can do for you for this meeting.
